## Young Actors THEATER COMPANY

The Nantucket Dreamland is inviting students ages 5-14 to enroll in our Young Actors Theater Company running July 5<sup>th</sup>-30<sup>th</sup>.

Each week we will take a classic tale and adapt it for the stage. Students will release their youthful energy and engage their active Imaginations through improvisational games, arts and crafts/prop construction, and dance (no training or skill required!).

Students will be separated into three age groups (5-7, 8-10, 11-14) and guided by a group mentor who will lead them through the week's activities. Throughout the week all three age groups will come together and build upon each others work, creating a final production piece that will be performed under the Dreamland tent on the last day of each week.
