A NOTE FROM THE DIRECTOR

Thank you for joining us for this production. We are really excited about a number of things, including a great score by Jason Robert Brown, but we are most excited about sharing this production, with this amazing group of teens live on stage this evening. In these trying and confusing times, we are grateful for the gift of theatre, and the joy, love and camaraderie that working together on a production brings. Evan’s story is entertaining and uplifting, and we sincerely wish its message will bring hope for a brighter future for all of us. “I am trying to follow, I am trying to lead, I am trying to learn what is true. I am trying to be what you want and I need, and we all have, a little more homework to do.”
